WWW.TOTALTECHCONNECTION.COM

****Open Monday—Friday 8am-4:30pm****

We believe that technology repair and support should be easy for you. Total Tech Connection is all about you. We specialize in Business and Residential technology sales, repair and service. We offer solutions to keep your technology up and running painlessly and worry free.

Total Tech Connection can give you the technology support you need with our variety of solutions for all of your technology needs. We believe that with proper planning, maintenance and monitoring, you can prolong your technology investment. Preventive maintenance is one of the most overlooked aspects of technology ownership. We believe that technology maintenance is just as important as maintaining your car or your home.
