

EMPLOYEE COVID-19 SAFETY GUIDELINES

STAY AT HOME WHEN SICK

Stay home when feeling ill, when exposed to COVID-19 (e.g., positive household member case), or if diagnosed with a confirmed case of COVID-19. Employees who are particularly vulnerable to COVID-19 according to the CDC are encouraged to stay home.

INCREASE HYGIENE PRACTICES

Wash hands more frequently, avoid touching face, practice good respiratory etiquette, disinfect work areas and highly used touch points.

WEAR A FACE MASK

Wear a cloth face covering while at work and in public to help protect against the spread of the virus.

PRACTICE SOCIAL DISTANCING

Practice recommended social distancing to the greatest extent possible - "Further is safer".

FOLLOW EMPLOYER GUIDELINES

Abide by guidelines established by the employer, which may include the use of gloves, social distancing practices in the workplace and increased sanitation.

EMPLOYEE PROTECTION

Businesses should follow guidance issued by the CDC, as well as, any applicable federal or regulatory requirements. Should an employee feel they are in an unsafe environment, contact your employer's Human Resources department.
